Action Report

- **To Stop Doing**
 - Being vague surrounding individual responsibilities.
 - Not documenting our plans concretely.
 - Waiting til the end of the sprint to complete tasks
- **To Start Doing:**
 - Being clear about who's doing what.
 - Communicating better.
 - Starting to work on tasks earlier into the sprint
 - Being more organized in our repository
- **To Keep Doing:**
 - Maintaining scheduled meetings.
 - Maintaining the modes of our communication.

Work Completed / Not Completed

- **Completed**
 - User Story 1: As a UCSC student with a lot of food/slug points, I want to create a post letting people know that I am either giving away food or offering slug points
 - User Story 2: As a student swiping someone in, I want to specify the time, location, and amount I'm willing to spend.
 - User Story 3: As a UCSC student, I want to let other people know that I am a legitimate UCSC student.
 - User Story 4: As a student, I want to be able to create and log into an account to be able to create and view posts.
 - User Story 5: As a student with little food/slug points, I want to know who is offering food or slug points.
- **Not Completed**
