Revision Date: 11.18.2025

Action Report

- *To Stop Doing*
  - Being vague surrounding individual responsibilities.
  - Not documenting our plans concretely.
  - Waiting til the end of the sprint to complete tasks.
- **To Start Doing:**
  - Communicating better.
  - Starting to work on tasks earlier into the sprint.
- **To Keep Doing:**
  - Maintaining scheduled meetings.
  - Maintaining the modes of our communication.
  - Maintaining organization in our repository.
  - Keeping clear who is doing what.

Work Completed / Not Completed

- **Completed**
  - User Story 5: As a giver, I want to be able to easily see the posts that I have made and are active. As a user, I want to be able access the separate chats of each post I have created or interacted with. As a user, I want to be able to know the amount of messages I have received so that I know which chats need my attention.
- **Not Completed**
  - User Story 1: As a receiver, I want to be able to see the ingredients of the food being given away, in case I have an allergy. As a giver, I want to be able to post the expiration date of the food I'm giving away.
  - User Story 2: As a student giving away food, I want to be able to communicate with the recipient to make sure the recipient is aware and satisfied. As a student receiving food, I want to be able to ask more questions about the food item and figure out where to pick it up. As a student getting swiped in, I want to be able to clarify and confirm that the details on the post are correct and let the giver know that I

am on the way or have arrived.
- ○ User Story 3: As a receiver, I want to be able to see which posts are for certain times that I am available. As a receiver, I want to be able to see which posts are in a nearby area, so that I don't have to travel far. As a receiver, I want to be able to see which posts are giving away food, and which ones are giving away slug points.
- ○ User Story 4: As a receiver, I want to be able to easily and quickly reserve a spot in order to receive a swipe. As a giver, I want a certain amount of people to be able to quickly sign up to receive slug points and swipes from me.
